

GIANTS

At the Giant's Causeway they were huge
Their names were Finn and Cullen
At Harland and Wolff they were huge too
Their names were Samson and Goliath
Belfast has lots of giants
Along with the Belfast Giants and George Best

At a road called Chesterfield Park
The giants are my family
They may not be big, but they make my life
.....HUGE!

But Aaron my brother? No. He is not a giant
He is not huge, but.... What a gi-normous
.....NOISE!!!
