

THE COUNTRY WHERE I WAS BORN

At nine years old I'm still learning
From the places I've seen and the stories I've heard

The world's finest ship the Titanic was built here
It left Belfast shipyard as the unsinkable ship
But in icy waters disaster struck

Our football fans flock to Windsor Park
To see Healy and the rest of the brilliant bunch
But it is when I go to the airport I'm reminded
It's George who's BEST

I'm told terrible things happened in the past
But that all changed on Good Friday '98
I know what you're thinking....

THAT'S THE DAY I WAS BORN
